Lam Research Challenge 2026

Shortlisted for Hardware Hustle Round (Stage 2)

Dear Students,

Congratulations! 🎉
We are pleased to inform you that your team has been **shortlisted from the Qualifier Round** and is now eligible to participate in the **Hardware Hustle Round (Stage 2)** of the Lam Research Challenge 3.0.

This is an exciting opportunity to showcase your technical skills, creativity, and ability to develop a functional prototype. Please read the following instructions carefully and complete all the required activities within the given timeline.

Team Name: GateKeepers
Team ID: LRC-26-0675

🔧 Hardware Hustle – What You Need to Do

1. **Access the Problem Statement**
   The Hardware Hustle problem statement will go live on **Friday, 25th September** on the Website. Please review it carefully before beginning your work.
2. **Update Your Postal Address**
   The Hardware Hustle Kit will be dispatched to the address provided by your team (any one team member address can be shared, preferably the team leader). Please enter your complete and accurate postal address and contact details in the Web Application.
3. **Receive the Hardware Hustle Kit**
   The required Hardware Hustle Kit will be dispatched to your registered address from **24 September 2026**.
4. **Build Your Prototype**
   Use the components provided in the kit to develop a functional prototype and complete the assigned task as specified in the problem statement.
5. **Demonstrate Your Solution**
   Use the functional prototype to demonstrate the solution requested in the problem statement. Record the demonstration and upload the required video through the Web Application.
6. **Document Your Journey**
   Record a short Journey Video capturing your team's efforts, prototype development process, and overall journey during the Hardware Hustle Round.

📋 Hardware Hustle – Deliverables

At the end of the Hardware Hustle Round, each shortlisted team is required to submit the following:

Deliverable	Requirement
Journey Video	3–4 minute video showcasing your team's efforts and prototype development journey
Challenge Video	10–12 mins video demonstrating the functional prototype and the solution as requested in the problem statement
Handwritten Solution	Scanned handwritten solution in PDF format, written using blue or black ink

> **Important:** Please ensure that the video files comply with the maximum file size specified in the Web Application before uploading.

📅 Hardware Hustle – Timeline

Activity	Date
Hardware Hustle Kit Dispatch	26 September 2026
Round 2 Submission Window	5 October – 15 October 2026
Final Submission Deadline	**15 October 2026**

Please note: The final submission deadline is **15 October 2026**. We strongly encourage all teams to complete and upload their submissions well in advance to avoid any last-minute technical issues.

📦 Submit Your Address & Contact Details

To enable us to dispatch the Hardware Hustle Kit, please update your complete postal address and contact details in the Web Application.

Important: Please ensure that your address includes:

- Complete postal address
- City/State
- PIN code
- Valid contact number
- Block No (if applicable)

Providing accurate details will help avoid any delays or issues with kit delivery.

📣 Join the Official WhatsApp Group

Please join the official WhatsApp group to receive important announcements, updates, instructions, and further communication regarding the Hardware Hustle Round.

👉 WhatsApp Group: https://chat.whatsapp.com/DvCrs4TMn3JI0DP6TewUq9

🌐 Submission Navigation Path

You can access the Hardware Hustle Round and submit your deliverables through the following path:

Website → Student Dashboard → Stage 2 – Hardware Hustle → Problem statement → Submission

Website: https://lrc2026.tworks.in/
Login: https://lrc2026.tworks.in/login

Please ensure that all required deliverables are submitted within the specified timeline.

🏆 What's Next?

A total of **52 teams** have been shortlisted for the Hardware Hustle Round.

Following the evaluation of Stage 2, **25 teams** will be shortlisted for the **Grand Finale** to be held in person (Offline) at Bangalore from **4th Nov 2026 to 7th Nov 2026**. All expenditures of travel, stay, and food will be catered for.

All the four members of the selected 25 teams will have to be mandatorily present for the Grand Finale at Bangalore.

This is your opportunity to turn your ideas into a working prototype and showcase your engineering skills. We look forward to seeing your creativity, innovation, teamwork, and working prototypes! 🚀

All the very best to all the shortlisted teams! 🎯

Regards,
T-Works Team
